

# SPRING SESSION!

American Repertory Ballet's *Dance for Parkinson's program* is for people with Parkinson's Disease and their caregivers. Each class has live music and creates a warm sanctuary for movement exploration, and a social atmosphere to support artistic venture.

## ***Open to all levels of ability!***

Although participants may experience therapeutic relief, this class is not considered therapy, but a place where people come together to move, share, and enjoy the elements of dance.
